## Discussion Questions

---

1. Of the 3 limitations the Samaritan woman expressed, which one do you face most in your present situation? How could you learn to take your focus away from this and place it toward God?
  
2. Which aspect of God's character do you need most to face a current life situation? What makes it difficult for you to remember that aspect, and how could you keep your focus on it?

3. If God is asking you to give up something, what do you think He is trying to do in your life and shape in your heart?

Pray for one another, with urgency, for the Holy Spirit to do His full work in your lives and situation!
