And this initiative is seen in the incarnation of our Lord Jesus Christ.

# YOUR KINGDOM YOUR WILL

“Prayer can never be an empty ritual that does not impact our daily lives. It is to be committed to rugged Christian discipleship and to be determined to take up our crosses and follow Christ.” (Roland Chia)

# THE COVENANT

Commit yourselves to Christ as His servants, give yourselves to Him, that you may belong to Him. Christ has many services to be done. Some are more easy and honorable, others are more difficult and disgraceful. Some are suitable to our inclinations and interests, others are contrary to both. In some we may please Christ and please ourselves. But then there are other works where we cannot please Christ except by denying ourselves. It is necessary, therefore, that we consider what it means to be a servant of Christ.

- The need for us to fellowship is because God is communal.
